Blurb

This bibliography contains 4812 references of published literature, so far such as 3370 research articles, 797 popular articles, 344 research abstracts and 301 monographic literature etc. List of scanned 450 source periodicals is given at the end. The entries of data are arranged in chronological order under 15 main subject and 101 sub-headings, then alphabetically author wise under year and than further title wise. Three index i.e. Author Index, Title World Index and Chrono Author (main) Index are provided to facilitate the users to retrieve the information in depth. This is the first bibliography in agriculture, prepared on computer by using CDS/ISIS 2.3 (1989) UNESCO an WS2000 plus rel. 3 software packages in India.
