वनास्पति औषध विज्ञान (A Complete Book of Indian Medicinal Herbs) is a comprehensive book that provides detailed information about various Indian medicinal herbs. The book covers the identification, properties, and uses of these herbs, making it a valuable resource for students, researchers, and practitioners in the field of Ayurveda and natural medicine.

The book is written in Hindi and is suitable for a wide range of readers, including students of Ayurveda, pharmacologists, and those interested in traditional Indian medicine. It includes detailed descriptions of the herbs, their chemical constituents, and their therapeutic applications. The book is a complete guide to the world of Indian medicinal herbs.

The book is available in both print and e-book formats. The print book is priced at ₹1,950.00, and the individual e-book is priced at ₹3,185.00. Institutional e-books are available at a price to be determined on request.

The book is a valuable addition to any library or collection of books on Indian medicinal herbs. It provides a wealth of information in a clear and concise manner, making it an essential reference work for anyone interested in the subject. The book is available for purchase from Scientific Publishers.
