Institutional E Book : Price available on request

Blurb

The purpose of this book is to draw attention to the ill-health of the soil; to indicate some of the consequences of this; to suggest method by which the lost fertility could be restored and to enlist research findings to utilize in making farm products as well as farm resources free from chemical pollution. This book provides an overall review of different tools for organic agriculture followed by discussions on sustainability.

Foreword

K.P.R. Vittal

Director

Central Arid Zone Research Institute, Jodhpur - 342 003, Rajasthan, India
