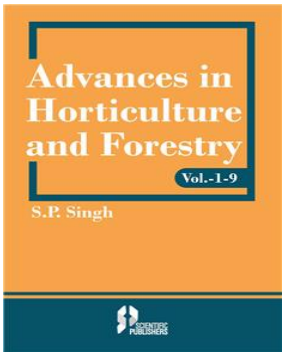
Advances in Horticulture and Forestry (Vol. 1-9)



S.P. Singh

ISBN	: 9789363460102	Book Format	: Book
E-ISBN	: 9789387893641	Binding	: Hard Bound
Language	: English	Edition	: 1
Imprint	: Scientific Publishers	© Year	: 2026
Pages	: 2110	Trim Size	: 5.75 x 8.75
Weight	: 3000 Gms		

Print Book : ₹14,500.00

Individual E Book : ₹38,000.00

Institutional E Book : ₹38,000.00

Blurb

The objectives of the publication are to create awareness among all the educated masses who are interested in Horticultural activities on various vegetable crops, fruit crops, plantation crops, ornamental and landscape gardening. It includes recent research work on post-harvest handling and storage techniques, which prevent fruit, vegetable and flowers from spoilage. A few review articles are also included which give present state of knowledge for better understanding on the subject in question. Besides, popular articles give complete information on cultivation technology which act as a guideline to those who start commercial cultivation of crops. In this way, a wide spectrum of readership is expected to be created and the volume will help in spreading knowledge of Horticulture among millions

Table of Contents

Volume 7

1. Bark inversion and its effect on growth of Mango (Mangifera indica L.) rootstock. - M. Padma, and Y. Narayana Reddy

2. Effect of KMnO4 and AgNO3 on post-harvest shelf-life of Banana (Musa paradisiaca L.). - L.N. Bairwa and L.K. Dashora

3. Effect of edible oil emulsion on post-harvest shelf-life of Ber (Ziziphus mauritiana Lamk Cv. Umran - L.K. Dashora, M.C. Meena and S. Mohammed.

4. Development and evaluation of permanganate based ethylene scrubber to extend the shelf-life of Sapota fruits - K.B. Jagtap and J.S. Katrodia

5. Influence of photoperiod and bioregulators on vegetative growth of Strawberry under controlled conditions - M.P. Dwivedi, K.S. Negi, K.K. Jindal and H.S. Rana

6. Studies on rooting in low chilling cultivars of plum using different types of cuttings under mist - H.S. Rana and R.M. Sharma

7. Effect of genotype, method and time of budding in Bael (Aegle marmelos Correa) - Deepti Rai, K.K. Misra and H.R. Jaiswal

8. Implication of In vitro technologies in horticulture and forestry - A review. - H.P. Singh, Sanjay Singh and H.K. Singh

9. Embryo rescue : A useful tool in fruit breeding - Dinesh Singh, K. Kumar, Rajesh Kumar and Sunil Kumar Gupta

10. Cor-relation studies in Brinjal (Solanum melongena L.). - D.A. Sarnaik, S.K. Verma and D.P. Verma

11. Response of plant bioregulators on growth and yield of Chilli during summer season. - N.C. Joshi, D.K. Singh and S.K. Jain

12. Study on growth and yield of Okra cultivars in response to fertilizer levels during hot weather period. - K. Radha Rani, C. Ravi Sankar and D. Manohar Prasad

13. Influence of phosphorus, potassium and rhizobium on green pod yield of Pea (Pisum sativum L.) cv. Lincoln. - S.P. Kanaujia, D.

Tripathi, R. Narayan and Y.R. Shukla

14. Genetic variability, heritability and genetic advance for yield and its contributing traits in Ivy-gourd (Coccinia grandis) - D.A. Sarnaik, S.K. Verma and G.L. Sharma

15. Postharvest biology and technology of cut flowers -- A review. - S.K. Bhattacharjee

16. Orchid seed germination and synthetic seeds. - A review - Sushmita Bhattacharjee

17. Growth, flowering, post-harvest life and nutrient content of "Raktagandha" roses as affected by nitrogen. - S.K. Bhattacharjee

18. Influence of sulphate salt in holding solution of "Queen Elizabeth" cut roses on post-harvest life and biochemical constituents of petal tissues. - S.K. Bhattacharjee

19. Prospectives of forest management in India. - S.S. Sagwal

20. Response of tree species to phosphorus fertilization under nursery condition. - P.C. Chaplot and S.C. Mahnot

21. Efficacy of conventional treatment of seeds of forest tree species. - S.S. Sagwal

22. Spatial arrangement for nursery plants of Populus alba Linn. - S.S. Sagwal

23. Effect of container size and soil media on the germination behaviour and growth of seedlings of different tree species. - P.C. Chaplot and S.C. Mahnot
